

KolaySpor	- PTT 1.Lig - Mert Eroglu (21590762) Can Berk Sürmeli (21427363) Ali Sinan Sülek (21590977) Ege Berke Balseven (21590776) Ömer Faruk Boztaş (21591223)
Vision	Date: <8/March/2018>

KolaySpor Vision

1. Introduction

We are developing a web application based sport center application called KolaySpor. These applications help members of sport center to do their membership actions, taking course or joining the VIP Course actions. Also that application will have chance to make Sport Center Advisor's jobs easy. In order to develop that application, we will make some plans, researches to do the job on time.

2. Positioning

2.1 Problem Statement

KolaySpor	- PTT 1.Lig - Mert Eroglu (21590762) Can Berk Sürmeli (21427363) Ali Sinan Sülek (21590977) Ege Berke Balseven (21590776) Ömer Faruk Boztaş (21591223)
Vision	Date: <8/March/2018>

The problem of	<i>There is no system in which members can view account summaries and course events. The coincidence of course times when the trainees creating activities. The administrators do not see the general condition of the course.</i>
affects	<i>Course members, trainees, managers</i>
the impact of which is	<i>people prefer other courses, Event times are constantly changing, the general condition of the course is not observed.</i>
a successful solution would be	<i>Developing a web application that is solution for those problems.</i>

2.2 Product Position Statement

For	<i>Sport Center Members</i>
Who	<i>PTT 1.Lig</i>
The (product name)	<i>KolaySpor is a web application.</i>
That	<i>Faster ,more reliable, safer.</i>
Unlike	<i>Other sport center web applications.</i>
Our product	<i>Our product has better time complexity and memory space usage in addition it has safer.</i>

KolaySpor	- PTT 1.Lig - Mert Eroğlu (21590762) Can Berk Sürmeli (21427363) Ali Sinan Sülek (21590977) Ege Berke Balseven (21590776) Ömer Faruk Boztaş (21591223)
Vision	Date: <8/March/2018>

3. Stakeholder Descriptions

3.1 Stakeholder Summary

Name	Description	Responsibilities
<i>System Admin</i>	<i>[Briefly describe the stakeholder.]</i>	<i>Add/remove employee accounts. Checks Payment Information of users.</i>
<i>Employees</i>	<i>Employees of Sport Center.</i>	<i>Creates VIP courses, Group Activities. Add balance to account.</i>
<i>Members</i>	<i>Sport center members.</i>	<i>Joins the group Activities.</i>
<i>VIP Members</i>	<i>Sport Center VIP Members.</i>	<i>Request VIP Courses. Joins the group Activities.</i>
<i>Anonymous Users</i>	<i>Guest on systems.</i>	<i>They don't have any responsibilities.</i>
<i>Developer Team</i>	<i>The team developed the team.</i>	<i>This team have to develop the entire system.</i>

3.2 User Environment

There are 5 people in developer team.

- ➔ Mert Eroğlu – Project Manager
- ➔ Ömer Faruk Boztaş - Software Analyst
- ➔ Can Berk Sürmeli – Software Architect
- ➔ Ege Berke Balseven – Software Configuration Manager

KolaySpor	- PTT 1.Lig - Mert Eroglu (21590762) Can Berk Sürmeli (21427363) Ali Sinan Sülek (21590977) Ege Berke Balseven (21590776) Ömer Faruk Boztaş (21591223)
Vision	Date: <8/March/2018>

➔ Ali Sinan Sülek – Software Tester

This team will not change.

This project is scheduled to be completed in about 3 months. Each task cycle in is expected to be completed in about 2 weeks.

There are a few applications are in use. Our application does not need to integrate with any other applications.

This project will run on a web browser. In the future, new updates may be available to add new features, but other environments might not be supported (mobile app, desktop app, etc.)

4. Product Overview

4.1 Needs and Features

KolaySpor	- PTT 1.Lig - Mert Eroğlu (21590762) Can Berk Sürmeli (21427363) Ali Sinan Sülek (21590977) Ege Berke Balseven (21590776) Ömer Faruk Boztaş (21591223)
Vision	Date: <8/March/2018>

Need	Prior ity	Features	Planned Release
User account	1	Account Balance Account freeze Payment	Prototype 1
Activity Registration	2	Applying to join the activities.	Prototype 2
Contact	5	Feedback & Contact	Prototype 3
Program	2	Show activities and your personal courses.	Prototype 2
Registration System	1	Register to System	Prototype 1
VIP Course	3	Register to personal lessons with personal coach.	Prototype 2

KolaySpor	- PTT 1.Lig - Mert Eroğlu (21590762) Can Berk Sürmeli (21427363) Ali Sinan Sülek (21590977) Ege Berke Balseven (21590776) Ömer Faruk Boztaş (21591223)
Vision	Date: <8/March/2018>

Help Section	4	Information about how to use the system.	Prototype 4
--------------	---	--	-------------

5. Other Product Requirements

Requirement	Priority	Planned Release
A Scalable Central Database	1	P0
Operation System	1	P0
Secure Connection	1	P0
Online Help Center	2	P1
